DL 100-10481

He advised so representative of the Soviet Union, the HVD, or any intelligence agent of the Soviet Union over attempted to recruit him in any way. He stated so one in the Soviet Laion over attempted to elicit any secret information concerning the United States or its defense from him.

OUMLE denied he ever told the Seviets at any time he would make available to them information concerning his U. S. Marine Corps speciality.

COUNLE advised in about May 19, 1961, he became fearful some reprints might be taken against his for having made the trip to the Coviet Union. He stated he than inquired of the American Embracy in Moseow, Russia, as to the possible legal complications. He stated the Embracy assured him they were gware of no evidence which would warrant prosecution against him, should be return to the United States. In this connection, CSUALD stated the American Embracy tried to persuade him to return to the United Diatos alone, and without his wife, MARHA. He told the United Diatos alone, and without his wife, MARHA. He told the United Diatos alone, and

The Embacsy reportedly pointed out to CSUALD it would be a difficult matter to obtain a passport for OSWALD's wife, who was a Russian. The Embacsy tried to influence him to come back alone, find a job, get established, and later gond for his wife. OSWALD stated he refund to follow this course. It told the American Embacsy he feared he would never see his wife again if he loft her in Russia. OSWALD stated he finally furniched a "document of support" in the interest of his wife and the passport was eventually granted. OSWALD stated he was his wife's spencer, and only spensor.

Committee cannot be and the contact with his half brother, John Edwardpric, a Staff Sergeant, in the USAT, and, so far as he knows. PIC is still stationed in Japan.

OSUALD stated he might have to might to the Soviet Union in about five years in order to take his wife back home to see her relatives. He stated no definite plans have been formulated to this end.

COUNLE still declined to answer questions as to why he went to the Boviet Union in the first instance. He stated he considers it "mobody's business" why he wanted to go the Coviet Union, CSWALD finally stated he went ever to Russia for his "own perconal reasons." He said it was a "perconal matter" to him. He said "I went, and I came back!" He also said "It was something that I did."
