5/4/78 - 11:20 - NO ANSWER -
5/5/78 - 4:15 - reached Mrs. Closson -
note the above address is correct - she typed
the autopsy report and the supplemental report.
she was the secretary to Ad. Galloway; worked
at the National Naval Medical Center. She
couldn't read the writing of Humes so Humes read
the report to her. she had never typed an autopsy
report before - only did so this time because the navy
needed a typist with a top secret clearance. she
typed it on Sunday, she believes; and the supplemental
report a few days later. She has no other

not present at the autopsy.
