personally appeared S. M. Holland	
Acc. 57 , Phone No. B13-2185	Toxas
Depotes and says: I am signal supervisor finspecting signal and switches and still was standing on top of the triple were coming down Elm Street and when the heard what I thought for the moment over and I looked ever toward the arcs smoke come from the trees and I heard shot but that was the only pulf of smoke but that was the only pulf of smoke but there. But the pulf of smoke I the arcade through the trees. After ever and Mrs. Kennedy jumped up and to him and then the second shot range secret service man raised up in the secret service man raised up in the secret service in the secret and the secret and the secret are service man raised up in the secret service man raised up in the secret service in the secret and the secret and the secret and the secret service man raised up in the secret service had the secret service man raised up in the secret service man raised up in the secret service man raised up in the secret service was raised up in the secret service and the secret service was raised up in the secret service w	opped to watch the parade. nderpiss and the President's Car hey git just about to the Arcade was a fire cracker and he slumped ade and trees and saw a puff of three more shots after the first oke I saw. I immediately ran around of and did not see anyone running saw definitely came from behind the first shot the President slumped ried to get ever in the back seat out. After the first shot the eat with a machine gun and then hey immediately speed off.
I WILL COMP DECK WING SOIL DILL.
