OK.

Dear Mr. Johnson;

In September I had written you
saying I expected to move from New
Orleans, La., to the Philadelphia -
Baltimore area. You advised me
that I could contact you when I
had gotten settled there and the
party would contact me in that area.

Since then my personal plans
have changed and I have settled
in Dallas, Texas for the time.

Through a friend, I have been
introduced into the American Civil
Liberties Union Local Chapter, which
holds monthly meeting on the campus

at Southern Methodist University.

The first meeting I attended was on October 25th, a film was shown and afterwards a very critical discussion of the ultra-right in Dallas.

On October 23rd, I had heard a ultra-right meeting called by General Edwin A. Walker, who lives in Dallas.

This meeting preceded by one day the attack on A.E. Stevenson at the United Nations Day meeting at which he spoke.

As you can see, political friction between "left" and "right" is very great here.

Could you advise me as to the

general view we have on the American
Civil Liberties Union?

and to what degree, if any, I
should attempt to heighten its
progressive tendencies?

This Dallas branch of the A.C.L.U.,
is firmly in the hands of "liberal"
professional people, (a minister and
two Law professors conducted the
Oct. 25th meeting.) However, some of
those present showed marked class-
awareness and insight.

respectfully Yours.
Lee H. Oswald
