Involved of Interviewed

Ruby, Jack - Date 11, 1963

Captain GLEN D. KING Administrative Assistant to Chief JESSE E. CURRY of the Fallos Police Department, was interviewed and was immediately advised of the official identity of Special Agent LEO L. ROBERTSON. He was advised that he did not have to make a statement, that any statement he did make could be used against him in a court of law and that he had the right to consult an attorney prior to making any statement. He then furnished the following information:

On December 9, 1963, Captain KING advised that he was the press relations officer for the police department and that he had not given a press card to JACK RUBY. Eastated he was also sure that no one else in the police department had given RUBY a press card and that he would have known about it since he was the person assigned as press relations officer.

On December 10, 1963, Captain KING advised that he had no assignment in regard to moving LEE HARVEY DSWALD from the City to the County Jail but stated that since he was the press relations officer he went down to the basement at approximately 10:45 a.m. and was there until after the shooting. At the time he went into the corridor where the shooting occurred, he glanced over and saw the various media/of the press and recognized two men from the Dallas Times/Herald, JACK BEERS, a photographer, and also GEORGE PHENIX He stated there were possibly others in the group he knew, although he could not recall the names of any others who were there at that time as he was more concerned with the set-up in the basement and was not actually thinking about who was down there.

He stated he has known JACK RUBY since about 1955 or 1956 as he worked in the Vice Squad at that time and they came in contact with most individuals who operated the type of places that RUBY had. He could not recall having seen RUBY since about 1956 and stated he doubted whether or not he would have recognized RUBY had he seen him. He stated at the time he arrived in the basement he would estimate there were

possibly 30 or 40 members of the press there at that time but he was not sure about this as he was not thinking about that, as mentioned previously. He advised he was not in on the conference that the administrative staff had concerning accurity measures and did not know the accurate plans, although he was aware that the press and police officers were the only authorized people who were supposed to be in the area. He did not know of any unauthorized person there and was not in a position to observe any of the members of the news media coming in at the time he arrived there.

He advised he had never known any police officers who had worked for RUBY and it was against the department's regulations for any Dallas policeman to work for any night clubs or any other type of establishments where they sold altible his beverages. He advised that shortly before the shooting, they were attempting to move two police cars onto the ramp and that he had goreout to the end of the corridor and turned to his right, which was south or onto Commerce Street and was attempting to get some of the police officers and nowsmen moved back so that the police cars would have room to back up to the corridor where they were going to bring OSWALD out. He stated he was approximately half way between the two cars but was up on the west side of the ramp when he heard the shot. He looked around and saw that several officers had a man down, whom he later determined was JACK RUBY. He immediately ordered police officers to block all entrances and not let anyone in or out. He stated he then went over to where RUBY was lying and accompanied RUBY, Datactive HARRIS and two or three other officers, whose names he could not recall, to the elevator where they took JACK RUBY to the 5th floor. He stated when they arrived on the 5th floor he orfered these men to strip RUBY down and search him thoroughly. He stated he had not hear of any information concerning any relationship between OSWALD and RUBY.
