

Celebrating the life of _____

Donald Byron Thomas Jr.

01.26.1949 - 11.10.2024

With heavy hearts but grateful spirits, we invite you to join us in honoring the incredible life of Don, who touched so many with his kindness, humor, and adventurous spirit.

For Don, life was a journey filled with exploration, laughter, and love. Though he has now embarked on his greatest adventure, we choose to celebrate the joy he brought into our lives and the countless memories he created.
